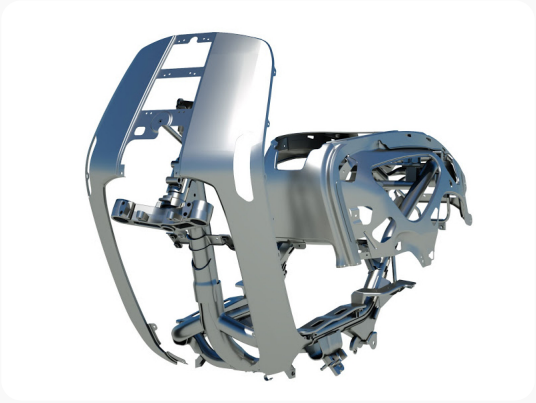
V200 SPECIAL FEATURES

DOUBLE LAYER SEMI MONOCOQUE

Lambretta introduces with the V Special the double layer side panel. Constructed with exceptional steel materials, its semi-monocoque structure features a central steel beam ensuring rigidity and resilience. This is bolstered by 1.2 millimeters steel plate frame, reinforcing the body comprehensively. The semi-monocoque construction is a nod to Lambretta's rich history of innovation, ensuring that riders enjoy a scooter that's built to last and designed to impress. architecture This construction not only enables Lambretta owners to reach their engine easily, but also avoids unnecessary added weight .



SMALL DETAILS

Every detail of the V-Special is proof that it is a pure Lambretta: Head and rear lights show the Lambretta trademark while the key is decorated with the traditional Lambretta lion. A large luggage area can be found under the comfortable seat. In regards to technology, the new V-Special is up-to-date. Front and rear disc brakes provide excellent braking performance

FULL LED LIGHTING SYSTEM

The Lambretta Model V brings the past into the present with its full LED lighting system, elegantly incorporating the iconic Lambretta logo within both the headlight and rear light. This design choice is more than a nod to heritage; it's a beacon of tradition, illuminating the path ahead while casting a warm glow on the memories of yesteryear. Inspired by the legendary SX series, the shapes of the lamps blend timeless appeal with modern functionality, offering a lighting experience that is as practical as it is poignant.

BOSCH CBS DISC BRAKE SYSTEM

Experience unmatched confidence on the road with the advanced Bosch CBS (Combi Brake System) featured in our disc brakes, both front and rear. This system is meticulously engineered to distribute braking force evenly, ensuring a smoother, safer stop no matter the driving conditions. With the Lambretta approved CBS technology, you’re empowered with superior control, allowing for a composed and confident ride every time you set out on your Lambretta scooter.
